## Start a career in the Renewable Energy Sector

Complete Training Solutions' Green Energy Skills Bootcamp is funded by The Department for Education, as part of the Government's Lifetime Skills Guarantee and Plan for Jobs. The opportunity grants eligible learners across Liverpool City Region access to the technical training required to secure employment within the renewable energy sector.

Start a career in renewable energy. All Skills Bootcamp learners participate in theoretical and practical training to attain qualifications from the Global Wind Organisation (GWO) and Industrial Rope Access Trade Association (IRATA). In addition, individuals will gain sector-specific employability coaching from Complete Skills Solutions to prepare them for a guaranteed interview with leading wind power employer. The bootcamp takes place over two weeks in Liverpool City Region. All applicants must meet the eligibility criteria to qualify for funding.
